The second of the control of the con perk barrel and altimately put it out of business for the president would have to be corrupted before the con-

shells from the Haldwin locomotive the bill became a law, works, aggregate cost. \$15,000,000. The American locomotive works recently got an order for a like value Trote's nothing fills the soul with in eight-inch shells. Three other big in eight-inch shells. Three other big. Peace

American firms have orders from if thus employed the world would find the complete the control of the contr \$15,000,000 to \$22,000,000. It is said that these orders came from the To wield the sword and suber. Russian government because of a recent statement of Lloyd-George to the effect that England and France the effect that England and France Vour loy will more than double. up to a point where they were fully if railroad from you will deport capable of meeting all requirements. capable of meeting all requirements.

Larger caliber shells are now being Tis better than to be a sport and do the things you'd rather, ordered in this country because of their greater explosive power which embles the allies to blast their way through concrete emplacements and through concrete emplacements and sleeves. redoubts against which the small And grab that task and shin it. ealther shells are ineffective, ity and by a Democratic stump orators will be heard in this vicinity warbling a prosperity syncopation, and accompanying him will be a Democrate movie film showing pictures taken of the above-mand stants with their chimneys belchitte smoke and thousands of sleek-looking workmen treoping to the factory. The title of the film will be, "Democracy Brings Era of Unexampled Prospor-Hy," but the pictures will be taken outside the mills. The idea is that Democracy should get the credit for the good business that has some to American monition factories because of the war and which must neces sarily drop when that demand no longer exists. The Democrats are just dense enough to believe that they can fool the people with this sort of a "shell game". The rictiest of this Democratic prosperity will be the soldiers slain on European battlefields by munitions "made in America", a few American soldiers wiped out by shells sold to Carrange and shipped with the mark "O. K.,

eratic prosperity bunk.

Miners and Operators Still Unable to Settle 2-Year Working Contracts,

KANSAS CITY, Ma. Aug. 15 —Accirilies in the conference here between miners and operators attempt-

tween miners and operators attempting to serile a two-years working contract were contined today and tonight to exponence by both sides, the outcomes of which were not revealed. Reliable but anofficial information once out by the operators, however, indicated the situation was such that the calling of a strike was not included and that two of the three districts already had expressed willingness to used all terms. More tempts would neither affirm nor deny the statement.

Three box cars, belonging to the Feisco road, were burned in the West Tuba yurds Monday night as a result of the spreading of a grass fire which had been lighted nearby the Irate Citizens.
